# L&E ALERT

November 23, 2011

## Oregon's Minimum Wage Will Increase to \$8.80 As Of January 1, 2012

---

Oregon's minimum wage will be increased to \$8.80 per hour, an increase of \$.30 per hour, effective January 1, 2012. The Oregon Bureau of Labor and Industries (BOLI) established the new rate in accordance with Ballot Measure 25, passed by voters in 2002, which requires BOLI to adjust the minimum wage for inflation based upon the rise in the Consumer Price Index (CPI). The inflation adjustment calculation is performed in September of each year and becomes effective the following January.

Revised minimum wage posters with the new rate will be available for download in December from BOLI's website at <http://www.oregon.gov/BOLI>.

### **Please Note**

Nothing in this communication creates or is intended to create an attorney-client relationship with you, constitutes the provision of legal advice, or creates any legal duty to you. If you are seeking legal advice, you should first contact a member of the Labor and Employment Team with the understanding that any attorney-client relationship would be subsequently established by a specific written agreement with Harrang Long Gary Rudnick P.C. To maintain confidentiality, you should not forward any unsolicited information you deem to be confidential until after an attorney-client relationship has been established.
